IMPORTANT INFORMATION

Tuition and Fee payments must be received by the due date on the front of this bill to avoid non-refundable \$100 late payment (\$50 for summer) or 1.5% default fees. Unpaid charges including prior balances will prevent you from enrolling in future semesters or receiving a transcript.

Pay online and view your account details, including prior balance, at <https://sa.ku.edu>. The online system accepts e-checks (electronic withdrawal from checking or savings account), MasterCard, or Discover only. Credit card payments are assessed a 2.25% technology fee. You may authorize another person to view and pay your charges online by creating an Authorized User by selecting Enroll & Pay > Student Center > Setup Authorized User. Remember to activate the account and save. Additional instructions on this are available at www.bursar.ku.edu (select Make Payment).

In compliance with the Federal "Family Educational Rights Privacy Act", the University will not release any information on your student account to anyone without your written consent. To give written consent, complete and deliver the Authorization to Release Student Information Form available on the Bursar's website at www.bursar.ku.edu (select Forms) or pick up a form in room 20 of Carruth O'Leary.

If your bill indicates you have Financial Aid or a sponsorship (non-related third party) paying all or a portion of the amount you owe and either of these are cancelled, you are responsible for all amounts owed by the due date.

After four billings, all accounts with outstanding charges will be referred to a collection agency and to the State of Kansas for further collections. Charges owed to the University will be reported to a credit reporting agency by our collection agencies. This may have a negative effect on your credit rating.

If you have specific questions regarding charges on your bill, please contact the office assessing the charge(s).

1. If expected financial aid does not appear on this bill, check your 'To Do List' at <https://sa.ku.edu> > Student Center > To Do List. Complete all necessary steps to ensure that aid will be available.
2. If you did not authorize KU to apply financial aid to charges other than current tuition, fees and on-campus housing, you must pay any other charges by the due date even if your bill projects excess financial aid.
